

FBA and FEEA:

Partners in the Community

The Flourtown Businesspersons Association recognized the benefits of a commercial district enhancement process to strengthen the economic viability of the business community along the Bethlehem Pike corridor.

The Flourtown Erdenheim Enhancement Association (FEEA) was formed to bring together business with the rest of the community in order to develop and implement a coordinated plan for the Pike and the community. After many years of planning, with public input, the Vision Plan was adopted.

Our History

The Flourtown Businesspersons Association (FBA) was founded in 1986 by a group of business owners who wanted to continue the work and the spirit of former business groups in the region.

Their goal was to create a group whose mission was to provide networking opportunities for business owners and workers in the Springfield, Whitmarsh and surrounding communities. Their hope was to also enable sharing of ideas and best practices while also encouraging members to support each other.

Who We Are

FBA members are a diverse group. They are business owners, employees of local businesses, community members and activists who share one common interest: business development. They live or work in Springfield, Ambler, Conshohocken, Blue Bell, Erdenheim, Norristown, Oreland, Willow Grove, Whitmarsh, Abington, and Wyndmoor.

Why Join?

This is an exciting time for the business community in and around our area. Dramatic aesthetic improvements are being planned for Bethlehem Pike, new businesses are joining the community and all eyes are on the future!

Become part of the growth and optimism shared by the FBA members. Join the business owners who invest in and care about their community. It'll be good for you and good for your business!

Membership Dues

Annual membership dues are \$75 per business regardless of how many employees you may have. The membership runs from January to December.
